

THE FOLLOWING LECTURES AND SEMINARS DISCUSSED THE NEED TO PROTECT AND PRESERVE FLORIDA'S FRAGILE WETLANDS AND SEA TURTLES.

- February 20-13, 1967 National Institutes of Mental Health, Chevy Chase Maryland, "Functioning as an individual in a complex society."
- March 21, 1968" Book Talk." Lecture on creative writing. FSU Robert Manning Strozier Library, "A writer's role in the environmental struggle."
- Dec 6, 1969 Florida Engineering Society, Big Bend Chapter, 1970 lecture on Fla. Environments and Engineering Conflicts.
- April 1, 1970 Environmental Action Group, Earth Day, FSU.
- Feb 27, 1971 Ecology Retreat, Camp Weed, St. Teresa Beach, Fla.
- March 3, 1971 Tallahassee Garden Club, Tallahassee, Fla. "Florida's "diminishing wetlands."
- April 8, 1971 Leon County Public Library, "Alligators and Other Editors."
- August 30, 1971 Louisville Audubon Society, "Can We save Florida's coastal wetlands?"
- March, 1972 National Association of Biology Teachers, meeting in New York, panelist; also provided aquaria and living specimens.
- Feb 29, 1974 Bay County Audubon Society lecture. "Wetlands and Books"
- March 7, 1975 "Dilemma '75." Lecture Program. Southwestern at Memphis, Memphis, Tennessee.

- Sept. 25, 1975 "Can we avoid destroying the last great frontier?" Lecture Series in Science, Okaloosa Walton Junior College. Niceville, Florida
- February 29, 1975. Bay County Audubon Society lecture. "Wetlands and Books"
- June 11-20, 1976 Lecturer and discussant using live specimens from Florida at the New York Oceans Festival 76 held at the New York Aquarium. Acted as publicity coordinator and assistant to Nixon Griffis, director, booking 8 national and regional television and radio programs promoting the attraction. (June 8-24th) 20, 1976;
- April 1, 1978. Lecture on marine life and coastal protection. Lecture at Cedar Key Museum.
- April 4-6, 1978. Water Fair, set up aquarium display and lecture at the Florida State Museum.
- April 12, 1979 Jack Rudloe and Em McElderry held lecture, concert combination, "Gulf Coasting," A two hour performance at Florida State University. Tallahassee, Fl.
- August 1, 1981 Florida Book and Author Festival. "Week of the Ocean, 1981"conference. Plight of the sea turtle, and how man is killing the oceans.
- April 30th- 1983 Facilitator at Biology Writer's Workshop at College of DuPage, using live marine animals April and readings, evening lecture at Performing Arts Center.
- October 7, 1985. Women in Communications, Inc. spoke at luncheon on life or writer, gave readings from Audubon article and other works.
- Oct 11, 1987 Coastal Awareness Day, St. Marks National Wildlife Refuge. Subject: coastal preservation.
- June 5, 1987 "Save Our Coasts." Evening lecture series, Westminster Oaks, A retirement community.
- October 11, 1987 Coastal Awareness Day, St. Marks National Wildlife Refuge. Subject: coastal preservation.
- Feb. 14, 1988 Friends of the Library Lecture Series, Ramada Inn. Panama City, Florida.
- Feb 28, 1988 "The distribution of Kemp's Ridley Sea Turtles in the Northeastern Gulf of

Mexico, co-authored with Larry Ogren and Anne Rudloe to the 10th International Conference on Marine Turtles in Brunswick, Georgia.

- Nov 6, 1988 "Exploring the Erotic Ocean." Wesleyan College, Macon, Georgia
- Jan. 12, 1989 "The Living Dock of Panacea. "The Third Annual Organization of Artificial Reef's Marine Lecture Series. Tallahassee, Florida.
- Aug. 5, 1989 "The Erotic Ocean-- A New Horizon." St. Andrew's Bay Awareness Day.
- Sept 20, 1989 "Life in the Erotic Ocean," Frontiers of Science Series. Univ. of Fla. Gainesville, Fl.
- Sept 30, 1989 autographing session and displaying live marine creatures at Reader's Market, Tallahassee, and Fl.
- Jan.14,1990 "Can We Save The Erotic Ocean?", Will the Turtle Excluder Device really save sea turtles, or will it cause a rebellion among shrimpers and further endanger the sea turtle? The Chicago Shell Club and Shedd Aquarium Educational program.
- April 21, 1991 "The Living Sea," Earth Day lecture at Seaside, Florida. Keynote speaker.
- Feb. 24, 1991 Why people collect sea shells", Sanibel Shell Club, live specimens and slides used.
- Feb. 26, 1992 "Search for the Great Turtle Mother," a mix of myth and science. Lead paper at the 12th International Conference on Marine Turtles at Brunswick, Georgia.
- Nov. 20, 1993 "From Sea to See". Delivered lecture on artist Walter Anderson's work at Bay Arts Council.
- Feb. 26, 1996 "Search for the Great Turtle Mother," a mix of myth and science. Lead paper at the 12th International Conference on Marine Turtles at Brunswick, Georgia.
- March 5, 1997 Harvesting and Processing cannonball jellyfish, Monterey Bay Aquarium, special seminal.
- Nov, 20, 2001 Waterfront Florida, Crystal River, panelist and discussant, presenting views on coastal development in the Florida panhandle.
- October 6, 2001 "What the Erotic Ocean Brings Forth. "Keynote Speaker at 6th International Sea Bean Symposium, Cocoa Beach Public Library, Florida, Media: Researcher joins Sea Bean Event. Jack Rudloe is keynoter for weekend symposium, by Billy Cox. People Section, October 4, 2001

- Jan 19-21, 2003 "The lesser electric ray, *Narcine brasiliensis*, a potential biomagnetic sensory platform." Cyber Therapy Conference, San Diego, CA.
- Sept 11, 2003 "Mission of the Gulf Specimen Marine Lab, and its Role in Broystatin Research" Science Seminar Series Valdosta State University
- Sept 10, 2009 "Shrimp" FSU Coastal and Marine Laboratory, Turkey Point, Seminar
- October 23, 2010 "Operation Noah's Ark, a paradigm shift of restoring the environment and putting fish back into the sea" Jack and Anne Rudloe, Keynote Speakers ; 43rd Annual Fall MACUB Conference Molloy College, Rockville Center, New York
- May 21, 2012 "Turtle Mother: the World Beneath our Feet". Mokupapa Discovery Center, Hilo, Hawaii
- Feb. 24, 2011 Operation Noah's Ark and the oil spill. Apalachee Audubon Society, Tallahassee, Florida
- Aug. 1, 2011 Operation Noah's Ark and Deep Horizon Oil spill Harvard, Museum of Comparative Zoology
- August 2, 2011 On Jellyfish, New England Aquarium, Boston, Mass
- Aug. 10, 2011 Turtle Mother and the Protected Nature, Mary Washing College
- April 16, 2012 Shrimping on the American Gulf Coast, lecture Charoen Pokphand Foods Public Company, Bangkok Thailand
- May 9, 2012 "Fifty years of sea turtles" The New York Turtle and Tortoise Society, The Arsenal, Central Park, New York
